

Step 1: Choose Your Marketplace Type
a rental e-commerce

Step 2: Define Your Business Goals
providing cost-effective, flexible, and low-maintenance rental options for individuals or businesses that require short-term use of goods or services.

Benefits:

Renting offers affordability, flexibility for short-term needs, and maintenance-free convenience.

Problem Solved: Serves students, startups, and budget-conscious individuals needing temporary goods.

Target Audience:

Students in hostels or rentals. Event organizers needing short-term furniture.
Startups minimizing initial expenses.

Step 3: Create a Data Schema
